

# MULTILINE

## Account Info : new search engine

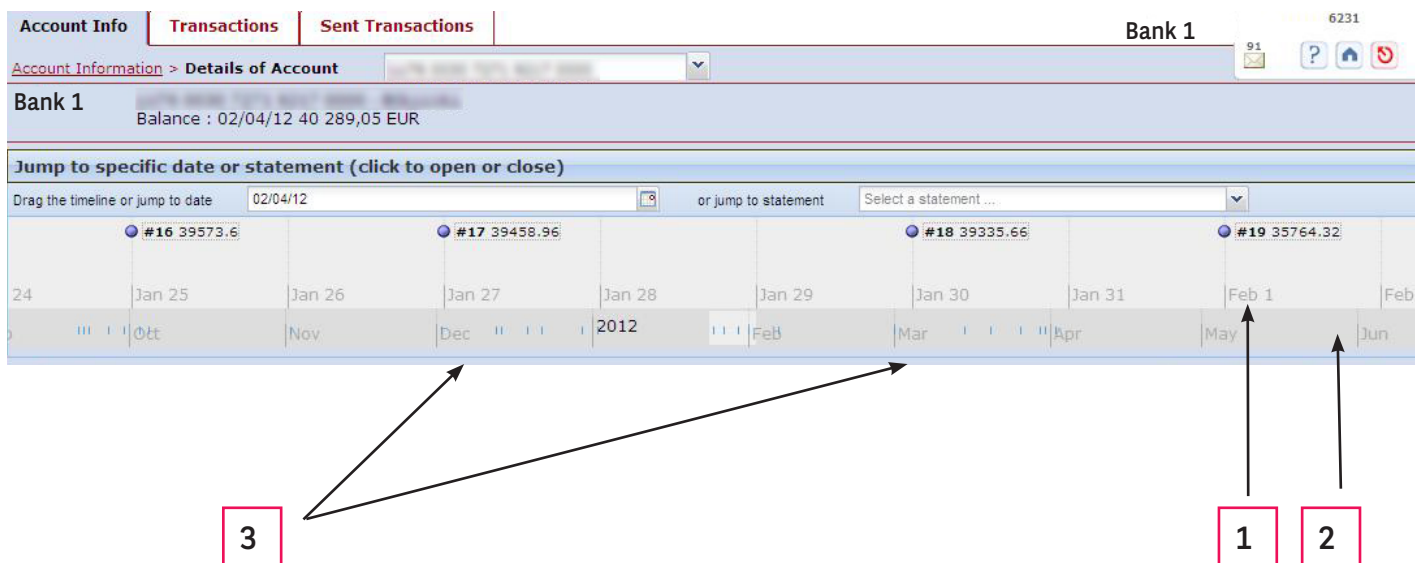

Fast search engine to look for bank statements.

The new 'search engine' allows you now to directly reach the desired statement.

Click on the link 'Go directly to the specific date or record (click to open or close)'.

This menu opens:

In the shown daily (1) or monthly (2) calendar, you can navigate with simple slides to find a specific statement, represented by small vertical lines (3).

# MULTILINE

Via the calendar, you can select directly the requested date (1) or a particular statement (2).
