Account Info : new sorting and printing possibilities

It is now possible to sort the account information by account.

By default, the account information is **sorted by bank**, but in this new version, you can change this setting and also **sort by account**.

Change the setting for a display by Account.

The screenshot shows the 'Account Info' tab selected. The 'Select view' dropdown menu is open, showing 'Bank' as the current selection and 'Account' as the selected option. The table below shows three rows of account information, all with 'Bank 1' in the 'Bank' column.

Account	Bank	Account holder / Alias	Date	Closing
[Logo]	Bank 1		02/04/12	24
[Logo]	Bank 1		02/04/12	
[Logo]	Bank 1		02/04/12	40

All accounts now appear listed one after the other, the logo of the correspondent bank being displayed in an additional column (1).

The screenshot shows the 'Account Info' tab selected. The 'Select view' dropdown menu is open, showing 'Account' as the selected option. The table below shows three rows of account information, all with 'Bank 1' in the 'Bank' column. The 'Bank' column is circled in red, and a red arrow points from a box containing the number '1' below to the circled 'Bank 1' entries.

Account	Bank	Account holder / Alias	Date	Closing	Intraday date	Intraday balance

You can sort columns in ascending or descending order and you can choose exactly which columns you want to see (to be listed).

The screenshot shows the 'Transactions' tab of an account. At the top, there are tabs for 'Account Info', 'Transactions', and 'Sent Transactions'. Below them, there are controls for 'Select view' (set to 'Account') and 'Filter' (set to 'No filter'). The main table has columns: 'Account', 'Bank', 'Account holder / Alias', 'Date', 'Closing', and 'Intraday'. The 'Date' column is currently selected, and a dropdown menu is open showing 'Sort Ascending' and 'Sort Descending' options. A 'Columns' menu is also open, showing a list of columns with checkboxes: Account, Bank, Account holder / Alias, Date, Closing, Closing available, Forward balance, Intraday date, Intraday balance, and Future. The table shows three rows, all with 'Bank 1' in the 'Bank' column. The 'Closing' column shows values of 24 529,66 EUR and 728,63 EUR.

Note:

All type of sorting and selection of columns you previously choosed, will not be registered or recorded for your next login.

Ability to print sorted account details.

The type of sorting you choose for the details of the account will be automatically applied to all statements you create.

Here an example of ascending sorting by amount:

The screenshot shows a 'Booked information' statement for 'Statement no. 57 - Opening balance: 26 528,20 EUR - Date: 31/03/12'. The table has columns: 'Value date', 'Description', and 'Amount'. The 'Amount' column is sorted in ascending order, with values: -765,27, -602,94, -525,33, and -105,00. A red circle highlights the 'Amount' column. A dropdown menu is open over the 'Amount' column, showing 'Sort Ascending' and 'Sort Descending' options. The 'Description' column contains the text 'PAIEMENT D'ECHEANCE EN REMBOURSEMENT DU CREDIT NO.' for all rows.
